

Municipal District of Peace No.135
Agricultural Service Board
Strategic Plan 2017-2019
November 7, 2016

Mission:

The Agricultural Service Board provides services and programs to all residents of the Municipal District of Peace No.135 to promote, protect, diversify and increase agricultural production and sustainability.

Vision:

To achieve a vibrant, sustainable agricultural community that protects our environmental resources and rural lifestyle.

Guiding Values:

1. Fair and effective enforcement of legislation delegated to Agricultural Service Board.
2. Conserve natural resources within the mandate of the Municipal Development Plan.
3. Proactive planning for environmentally sustainable practices.
4. Find the balance of agricultural, residential and industrial uses of land and water for municipal residents.

Goals:

1. To enforce the *Weed Control Act*.
2. To enforce the *Agricultural Pest Act*.
3. To enforce the *Soil Conservation Act*.
4. To assist with the *Animal Health Act*.
5. To provide Agricultural Extension Services.
6. To develop and deliver collaborative environmental stewardship initiatives that result in sustainable and diverse growth.
7. To provide professional development for the Agricultural Service Board and staff.

GOAL 1: To enforce the *Weed Control Act*

STRATEGIES	ACTIVITIES	MEASURABLE OUTCOME
