

Agreement for Dust Control

I, _____ make application to the Municipal District of Peace No. 135 for an application of liquid calcium chloride in front of my residence at _____.

I agree to the following conditions:

1. The Municipal District of Peace No.135 will arrange with the contractor to apply the dust control. The minimum distance is 100 metres.
2. The Municipal District of Peace No.135 accepts no responsibility for the application of the product and will not arrange to have the product reapplied. All efforts will be made to increase the longevity of the treated area; however, if the need arises the said portion of treated roadway will be graded to minimize hazards for vehicular traffic.
3. I require _____ metres of dust control to be applied and agree to pay the cost of the product as invoiced by the Municipality.
