<b>TITLE:</b> Heavy Equipment Rental to the Village of Berwyn	<b>DATE:</b> March 12, 2019
---	-----------------------------

**PURPOSE OF THIS POLICY:**

To provide a guideline for usage of heavy equipment by the Village of Berwyn.

**POLICY STATEMENT:**

The Municipal District of Peace No.135 wishes to work collaboratively with the Village of Berwyn and help them to remain a viable community. As a result, the MD will provide municipal heavy equipment on a rental basis to the Village of Berwyn when required, provided the equipment is not currently in use by the municipality.

The equipment must be operated by a municipal or Village employee who has had prior experience operating said equipment.

All equipment usage will take place during Municipal District of Peace operating hours unless it is an emergency situation.

Usage of heavy equipment other than graders, caterpillars or the steamer, must have the prior approval of the Public Works Foreman and CAO.

Charges for municipal equipment will be at current government equipment rental rates, discounted if an experienced Village employee operates said equipment and fuel is replaced.
