

MUNICIPAL DISTRICT OF PEACE NO.135

AMENDED BY: Barbara Johnson	ADOPTED BY: Council	NUMBER: PW – 8
TITLE: Seismic Activity		AMENDED: May 14, 2019

PURPOSE OF THIS POLICY:

To provide guidelines to staff when seismic activity is proposed on municipal properties

POLICY STATEMENT:

Council requires that the following be undertaken when the Municipal Office is advised of seismic activity on municipal road allowances:

1. The Public Works Foreman will inspect the area prior to the start and after seismic activity is complete to determine if there are any damages on municipal property. Any damages will be reported to the CAO who will contact the company and invoice for said damages. A file will be maintained for any unpaid claims.
2. Councillors are to report to the office any damages noted by themselves or area ratepayers.
3. When notified of proposed activity, the CAO will advise the company of the following:
 - a) snowplowing of ditches must be from intersection to intersection.
 - b) culverts or water runs are not to be left blocked with snow.
 - c) all flags or other marking objects are to be removed from road allowances.
 - d) any encroachment with snow removal onto adjacent fields is the responsibility of the seismic company.
 - e) there is a danger of flowing wells in the area of section 10-82-25-W5.
 - f) our Public Works Foreman is available for inspection with them before and after seismic activity should the company so desire.
